Jenny - Thank you for the copy of the letter. I will try to get back
to you tonight after my lab class.

Mr. Jeff Crawford
The Aerospace Corporation
15049 Conference Ct
Chantilly, VA 20151

Dear Mr. Crawford,

First of all, I would like to personally thank you for the many contributions you have made to the College of Engineering at Kansas State University. Your continued support is greatly appreciated. The purpose of this letter is to inform you of an event that will take place in Manhattan, Kansas next fall. For the first time in our history, the KSU College of Engineering will host the Tau Beta Pi National Engineering Convention. Over four hundred of the best engineering students from 250 universities across the nation and their faculty advisors are expected to attend this convention, which is to be held from October 7-11.

The Tau Beta Pi National Convention Headquarters has provided excellent monetary support in laying the groundwork for this convention. However, the College of Engineering will still pay approximately half of the total expenses, and we need your help. We are asking you for a gift of \$500-\$1000 to help make this convention a success. As a benefactor, you will be recognized in a variety of ways throughout the convention. You are invited to attend a luncheon on Thursday, October 8, and a banquet honoring the corporate sponsors on Saturday, October 10.

If we have a successful conference, it will certainly enhance our image and reputation as an outstanding college of engineering. I hope that you can help us. Thanks for your time.

Sincerely,

Jennifer A. Wright
